

Piezophone™

@ohnoitsalobo_builds

Thank you for purchasing the Piezophone™ contact microphone!

Note: This piezoelectric instrument pickup is intended to be used in conjunction with the Piezophone™ phantom-powered preamplifier and cable in order to produce the best possible sound; it has been designed to work as a complete unit.

The designer is not liable for any issues of sound quality when used as a standalone pickup, or with third-party preamplifiers.
